

Gruhalakshmi Application Status 2026 — Complete Procedure Guide

ಗೃಹಲಕ್ಷ್ಮಿ ಅರ್ಜಿ ಸ್ಥಿತಿ 2026 — ಸಂಪೂರ್ಣ ಮಾರ್ಗದರ್ಶಿ

Karnataka Gruha Lakshmi Scheme | Rs 2,000 per month | Verified against the official Karnataka guarantee-schemes portal and the Women and Child Development department scheme page on 23.08.2026 | globaldrishti.in

1. How to check your status — ಸ್ಥಿತಿ ಪರಿಶೀಲನೆ

Question / ಪ್ರಶ್ನೆ	Answer / ಉತ್ತರ
Fastest route — SMS ಎಸ್‌ಎಂಎಸ್ ಮಾರ್ಗ	Send only your 12-digit ration card number to 8147500500 or 8277000555 . No login, no OTP, no app. These two numbers are printed on the official guarantee-schemes home page.
Application status ಅರ್ಜಿ ಸ್ಥಿತಿ	The Seva Sindhu application-status page. It reads the acknowledgement number from your application receipt — not the ration card number and not the Aadhaar number.
Payment status ಪಾವತಿ ಸ್ಥಿತಿ	The DBT Karnataka mobile app. Log in with the Aadhaar number of the woman head of family and the OTP sent to the Aadhaar-linked mobile. It shows every Rs 2,000 credit with its date.
Difference between the two ವ್ಯತ್ಯಾಸ	Application status = whether the household record was approved. Payment status = whether that month's Rs 2,000 actually reached the bank. Approved but not credited is a bank or Aadhaar problem, not an approval problem.

Note as on 23.08.2026: the Gruha Lakshmi DBT tracker link on the official guarantee-schemes home page returns a 404 error. Until it is restored, use the SMS numbers or the DBT Karnataka app for payment confirmation.

2. How to apply — ಅರ್ಜಿ ಸಲ್ಲಿಸುವ ವಿಧಾನ

- Confirm the woman applying is printed as **head of the family** on the Antyodaya, BPL or APL ration card. The scheme is tied to that entry.
- Collect the ration card, the Aadhaar card of the woman head of family, and the bank passbook of the account where the money should land.
- Ask the bank to **seed Aadhaar for DBT** on that account. Doing this before applying prevents the most common failure later. Seeing the Aadhaar number in the passbook is not the same thing.
- Visit a Karnataka One, Bangalore One or Grama One centre, or the Seva Sindhu portal counter, and ask the operator to file the Gruha Lakshmi registration. **There is no fee.**
- Collect the acknowledgement and keep the application reference number safe. Every later status check depends on it.

There is no last date. The department page states registration began on 19.07.2023 and that there is no closing date for the registration process. Any site quoting a deadline for the original registration is wrong. Registration is free at all four routes — anyone asking for a fee is charging for something the state gives at no cost.

3. Who is eligible — ಅರ್ಹತೆ

Question / ಪ್ರಶ್ನೆ	Answer / ಉತ್ತರ
--------------------	----------------

Eligible beneficiary ಅರ್ಹ ಫಲಾನುಭವಿ	The woman named as head of the household on an Antyodaya, BPL or APL ration card. The ration card entry is the qualifying test — not an income proof or a separate certificate.
One woman per family ಕುಟುಂಬಕ್ಕೆ ಒಬ್ಬರು	Only one woman per family qualifies, even where several adult women live on the same card.
Gender minorities ಲಿಂಗ ಅಲ್ಪಸಂಖ್ಯಾತರು	Covered. Administrative approval dated 18.07.2023 extended the benefit to gender minorities.
Who is NOT eligible ಅನರ್ಹರು	Two disqualifications only: the woman head of family or her husband is an income-tax payer, or either of them files GST returns.
Age or income limit ವಯಸ್ಸು / ಆದಾಯ ಮಿತಿ	Neither exists. No age band and no income-certificate requirement is written into the government order for this scheme.
Bank condition ಬ್ಯಾಂಕ್ ಷರತ್ತು	The beneficiary's bank account and Aadhaar must be linked to receive the benefit. This is a written scheme condition, not an informal bank rule.

4. Documents required — ಅಗತ್ಯ ದಾಖಲೆಗಳು

Question / ಪ್ರಶ್ನೆ	Answer / ಉತ್ತರ
Ration card ಪಡಿತರ ಚೀಟಿ	Antyodaya, BPL or APL. The woman must be shown as head of the family. Its 12-digit number is also what the SMS status route reads.
Aadhaar of the woman ಆಧಾರ್ ಕಾರ್ಡ್	Identity for the record and the key the DBT Karnataka app authenticates on. The Aadhaar-linked mobile must be reachable for the OTP.
Bank passbook ಬ್ಯಾಂಕ್ ಪಾಸ್‌ಬುಕ್	Supplies the account and IFSC. The account must be Aadhaar-seeded for DBT or the credit fails even after approval.
Husband's Aadhaar ಪತಿಯ ಆಧಾರ್	Where applicable. The disqualification test covers his income-tax and GST status.
NOT required ಅಗತ್ಯವಿಲ್ಲ	No income certificate, no caste certificate and no fee are listed as conditions for basic Gruhalakshmi registration.

5. Money not received — ಹಣ ಬರದಿದ್ದರೆ

Question / ಪ್ರಶ್ನೆ	Answer / ಉತ್ತರ
Aadhaar not seeded ಆಧಾರ್ ಜೋಡಣೆ ಆಗಿಲ್ಲ	The single largest cause of a failed DBT credit. Ask the branch specifically to seed Aadhaar for direct benefit transfer and take an acknowledgement.
Old bank account ಹಳೆಯ ಖಾತೆ	DBT follows the account your Aadhaar is currently mapped to, not the account written on the form. A new account does not receive money until the mapping moves.
Dormant or KYC expired ನಿಷ್ಕ್ರಿಯ ಖಾತೆ	A bank rejects an inward DBT credit to a frozen or KYC-expired account. Reactivate at the branch, then wait for the next batch.
Others got it, you did not ಇತರರಿಗೆ ಬಂದಿದೆ	Releases roll out in district and bank batches. Wait three to four working days from the announced release before treating it as a failure.
Ration card changed ಪಡಿತರ ಚೀಟಿ ಬದಲಾಗಿದೆ	If the card was reissued, split, or the head-of-family entry changed, the scheme record no longer matches. Correct the card first, then the scheme record at a service centre.

Disqualification found ಅನರ್ಹತೆ ಕಂಡುಬಂದಿದೆ	If income-tax or GST filing is detected, the record stops. This is a stated scheme condition, not a technical fault, and no helpline can reverse it.

6. Helpline and complaints — ಸಹಾಯವಾಣಿ

Question / ಪ್ರಶ್ನೆ	Answer / ಉತ್ತರ
Scheme information ಯೋಜನೆ ಮಾಹಿತಿ	1902 — listed on the official guarantee-schemes contact page for all Karnataka guarantee schemes including Gruha Lakshmi.
Application / technical help ತಾಂತ್ರಿಕ ಸಹಾಯ	080-2227 9954, 8792 662814, 8792 662816 — listed on the same official page.
Status by SMS ಎಸ್‌ಎಂಎಸ್ ಸ್ಥಿತಿ	8147500500 and 8277000555 — for SMS only, not voice calls.
What to carry to a complaint ದೂರಿಗೆ ಬೇಕಾದವು	The acknowledgement number, ration card, Aadhaar card, and a bank statement covering the disputed months. A complaint without the bank statement usually ends in being told to check the bank.

Fraud warning: no official route asks for an Aadhaar OTP over a phone call, and no fee is charged for registration or correction. Treat any caller asking for an OTP or a payment as fraudulent.
